

CLAYTON COUNTY

OFFICIAL ABSENTEE/PROVISIONAL/CHALLENGED BALLOT

OFFICIAL SPECIAL ELECTION BALLOT OF THE STATE OF GEORGIA NOVEMBER 5, 2013

To vote, blacken the Oval (●) next to the candidate of your choice. To vote for a person whose name is not on the ballot, manually WRITE his or her name in the write-in section and blacken the Oval (●) next to the write-in section. If you desire to vote YES or NO for a PROPOSED QUESTION, blacken the corresponding Oval (●). Use only blue or black pen or pencil.

Do not vote for more candidates than the number allowed for each specific office. Do not cross out or erase. If you erase or make other marks on the ballot or tear the ballot, your vote may not count.

If you change your mind or make a mistake, you may return the ballot by writing "Spoiled" across the face of the ballot and return envelope. You may then mail the spoiled ballot back to your county board of registrars, and you will be issued another official absentee ballot. Alternatively, you may surrender the ballot to the poll manager of an early voting site within your county or the precinct to which you are assigned. You will then be permitted to vote a regular ballot.

"I understand that the offer or acceptance of money or any other object of value to vote for any particular candidate, list of candidates, issue, or list of issues included in this election constitutes an act of voter fraud and is a felony under Georgia law." [OCGA 21-2-285(f) and 21-2-383(a)]

To Consider Extension of a Special One Percent (1%) Sales and Use Tax for Educational Purposes (Vote for One)

"Shall the special 1 percent sales and use tax for educational purposes currently imposed in Clayton County be reimposed upon the expiration of the current 1 percent sales and use tax for educational purposes, for not longer than 20 consecutive calendar quarters, to raise not more than \$280,250,000 to be used for the following educational purposes: acquiring, constructing, and equipping security improvements at all schools and administrative facilities within the School District; constructing and equipping one new Kindergarten - Fifth grade elementary school; acquiring, constructing and equipping one new Sixth - Eighth grade middle school; purchasing new school buses and providing upgrades to existing school buses; upgrading school bus maintenance facilities; replacing and acquiring new service vehicles; acquiring property to construct and equip a fuel station; acquiring and refreshing system-wide technology improvements and equipment; acquiring personal devices and books for student instruction; renovating, replacing, repairing, improving, and equipping existing school buildings, stadiums, administrative buildings, maintenance buildings, and other School District facilities; and acquiring any necessary property for the foregoing purposes, both real and personal, all at a maximum cost of \$280,250,000?"

☐ YES

☐ NO
